COMMENTS

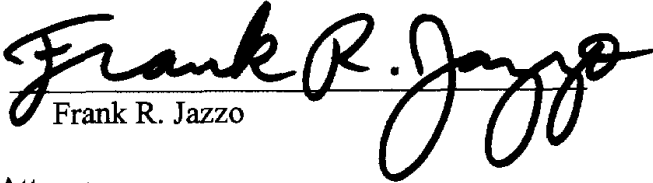

Sangre de Cristo Broadcasting Co., Inc. ("Sangre"), by its counsel, hereby submits its Comments in the above-captioned proceeding. In support thereof, the following is stated:

Sangre is the licensee of AM broadcast station KNMX and FM broadcast station KMDZ, Las Vegas New Mexico. Sangre takes no position on the proposal of KFUN/KLVF Inc. ("KLVF"), as affirmed by successor licensee Meadows Media, LLC ("Meadows"), to reallocate Channel 264C3 from Las Vegas, New Mexico, to Pecos, New Mexico, and to modify the license of FM broadcast station KLVF to specify operation thereon. Sangre, however, does support KLVF's proposal, as affirmed by Meadows, to allocate Channel 296A to Las Vegas, New Mexico. In the event the Commission allocates Channel 296A to Las Vegas, New Mexico, Sangre intends to file an application for a construction permit to build a new FM broadcast station thereon. Should Sangre be awarded a construction permit for Channel 296A at Las Vegas, New Mexico, it will expeditiously construct a new FM broadcast station on the channel and commence service to Las Vegas, New Mexico.

Wherefore, for the foregoing reasons, Sangre respectfully requests that Channel 296A be allotted to Las Vegas, New Mexico. Sangre will apply for a construction permit for a new FM station if the channel is allotted there, and will expeditiously construct and operate a new station thereon if awarded the construction permit.

Respectfully submitted,

SANGRE DE CRISTO BROADCASTING CO., INC.
